CKB Commerce College NSS Unit

Description of the Activity:

On August 18th, the NSS Unit of CKBC Commerce College organized a comprehensive Cleanliness Drive within the college premises. The primary objective of this drive was to promote a sense of responsibility towards cleanliness and hygiene among the students, faculty, and staff members. The Event was Kicked Off by Dr. Sarat Borah, Principal (I/c).

Initiatives:

Division of Responsibilities: The participants were divided into groups; each assigned a specific area within the campus for cleaning. This approach ensured that every nook and corner was addressed, including classrooms, corridors, common areas, and the outdoor premises.

Waste Segregation: Emphasis was placed on the proper segregation of waste into recyclable and non-recyclable categories. Special bins were provided to facilitate this process, promoting sustainable waste management practices.
