Description of the Activity:

The CKBC Commerce College NSS Unit organized a momentous event to witness the historic landing of Chandrayaan 3 on 23 August, 2023. The event took place at the college premises and aimed to foster scientific curiosity and ignite a passion for space exploration among the students and faculty members. The event commenced at 5 pm with an enthusiastic gathering of NSS volunteers, faculty members, and students eager to witness this landmark achievement. A live telecast of the Chandrayaan 3 landing was arranged, allowing everyone present to witness this historic event as it unfolded. The atmosphere was charged with anticipation and excitement as the lunar lander, Vikram, descended towards the moon's surface.
